About

Although mainly used as a food source for such furry friends as the Giant Panda, bamboo is also renowned for its healing properties. Take advantage of this long-stemmed plant with today's TeamBuy: \$45 for a 70-minute full body warm bamboo massage from Samsara Day Spa.

Guided by natural rhythms, **Samsara Day Spa** is a unique and upscale spa facility in the heart of beautiful Forest Hill. Offering up everything from therapeutic massages, facials, manicures, pedicures, waxing and more, this great beauty destination is only a quick jaunt from St. Clair West subway station and is full of experienced and trained staff waiting and willing to fulfill every spa fantasy. At the heart of Samsara's foundation and philosophy of wellness lies their commitment to achieving standards of excellence, which means delivering treatments that will not only meet expectations, but exceed them. With today's deal, bodies are warmed head to toe with a warm bamboo massage. The newest and most popular **massage** is known for its healing properties, leaving clients feeling blissfully relaxed. Using freshly cut bamboo of varying diameters and lengths, this deep tissue massage reduces tension and relieves tightness in muscles and tendons. It is also great for stimulating the flow of blood through the body, which in turn naturally heals the body and mind. The treatment with today's deal also includes a 10 minute Indian Head Massage.

"Magic hands (RMT) released all the tension in my neck and shoulders and the Indian head massage was delightful...although I'm still trying to wash all the oil out of my hair. It was worth it though."

Melissa

"I went to the spa for the first time with my girlfriends for the 99.00 spa deal, We got the times mixed up and were running late. The spa was very accomodating to fit all three of us in to recieve
